

LEE AXWORTHY TROTS A RECORD

Covers Mile in 2:00 1/4, Lowering Previous Best Time Set By The Harvester.

Cleveland, Ohio, Aug. 22.—While two favorites were winners Tuesday in the Grand Circuit races at North Randall, surprises were plenty. "Outsiders and dark horses" getting their share of the glory.

In addition to some exceptionally fast racing and some hard fought battles, the crowd of 800 was thrilled when Lee Axworthy trotted an exhibition mile in 2:00 1/4, breaking the world's record for a stallion by three-quarters of a second. The record, 2:01, was held by The Harvester.

Charles Valentine and Sister Strong gave the talent a bumping in the 2:15 trot. Sister Strong winning the first two heats and the race in handy fashion, although the third heat was taken by Brevin, the favorite.

Diemer, the favorite in the 2:12 pace, had little trouble in winning the two opening miles and the race, but in the third heat, Tommy Murphy, with The Problem, shot across in the lead and got second in the summary.

In the Glenville three year old trot, Harold Creek, a Kentucky horse and the favorite, made the mile in two straight heats. Maple Tree giving the Creek some hot competition right up to the wire.

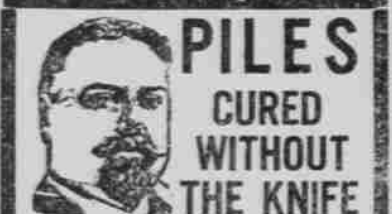

The 2:05 pace was fiercely contested from start to finish, requiring four heats to determine the winner. Fay Richmond gained that honor by reason of his grabbing off the second and fourth heats and getting within the money in the third. Judge Ormond, the favorite, won the opening mile, but after that was unable to get in front.

TEXAS CLIPS A SECOND FROM STEER TYING RECORD

Chicago, Ill., Aug. 22.—H. H. Shaffer, Fort Worth, Texas, clipped a second off what is claimed to be the world's record for steer tying Tuesday by throwing his animal in eight seconds at the Chicago Round-up. Dick Seal of Montana, Fred Wilson of Gleichen, Alberta, and Jess Stahl of Selkirk, Calif., were favorably injured when tripped by "outlaw" horses.

BASEBALL CHALLENGE

The El Paso Tigers have issued a challenge to any of the national guard baseball teams for a game to be played at Washington park next Saturday afternoon. The game can be arranged by calling 725 between 12:30 and 1:30 o'clock.

ARMY LEAGUE TO RESUME MONDAY

Two More Clubs Are Admitted; League Has 19 Teams.

The army baseball games will not be resumed until Monday. This was decided at a meeting of the Interstate Army Baseball League at the Paso del Norte, Tuesday night, on account of condition of the grounds at Rio Grande park due to the recent heavy rains. It is hoped to have the yard in first class shape by Monday.

The Fourth Pennsylvania Infantry decided to withdraw, giving as a reason that they were short of good baseball material. Two new teams, the 18th Pennsylvania Infantry and the 1st Battalion of the Pennsylvania engineers, were admitted to the league.

Only about half of the clubs were represented at the meeting and another meeting is scheduled for Friday night at the Paso del Norte. Maj. Mac Reynolds, vice president of the league, presided in the absence of the president, Capt. A. P. Watts.

On account of the addition of two new clubs and bringing the total number of teams up to 19 and postponement of games it was necessary to revise the schedule as follows:

Monday, August 23.—Twenty-third U. S. Infantry vs. First Massachusetts field artillery; Eighth U. S. Cavalry vs. Ninth Massachusetts Infantry.

Tuesday, August 24.—Seventh U. S. Cavalry vs. Second South Carolina Infantry; 18th Pennsylvania Infantry vs. 24th U. S. Infantry.

Wednesday, August 25.—Sixth Pennsylvania Infantry vs. Eighth U. S. Cavalry; Rhode Island field artillery vs. First Pennsylvania field artillery.

Thursday, August 26.—Seventh U. S. Cavalry vs. Fifth U. S. field artillery; 25th U. S. Infantry vs. First medical troops.

Friday, September 1.—Eighth U. S. Cavalry vs. First Massachusetts field artillery; 18th U. S. Cavalry vs. Ninth Massachusetts Infantry.

Saturday, September 2.—Eighteenth Pennsylvania Infantry vs. Second South Carolina Infantry; Sixth Pennsylvania vs. 24th U. S. Infantry.

Monday, September 4.—Massachusetts Cavalry vs. Eighth U. S. field artillery; Eighth Pennsylvania Infantry vs. 24th U. S. Infantry.

IN BOYLAND

BY TOM CLEMENTS.

SCHEDULE for the games in class "B" Saturday league will be published in Thursday's paper. Have the Westside Juniors broken up altogether, or will they be out for games next Saturday? Please let Boyland know about this matter.

It has been suggested that an all-star team be picked from the teams of the Sunday league, to try and defeat the Myrtle Avenue Stars. Will Clyde Brown act as manager for this team, and see to its organization? A few suggestions for players are: Hugh Atkins or Red Leach for pitcher, Rich Carberry for catcher, Clyde Brown on first, Joe Loya for short and there are quite a bunch of good men still left.

With Clyde managing this team, and Atkins as captain, there is a chance that the Myrtles will get beaten yet. Please get the team together and notify the office as to how soon they will be able to play.

The Westsiders claim that the East El Paso Juniors have no sportsmanship, as they say that this team would not play them last Sunday, because they were late, wanting to be sure of a free frame which they had already won by forfeit, rather than take a chance on losing it by playing. There has probably been some mistake made, as all through the year the East El Paso have shown good sportsmanship, and have always been ready for a game.

\$350 and a FORD makes a guaranteed ONE-TON TRUCK

"Lowest Hauling Cost in the World"

THE Smith Form-a-Truck is a combination of a Ford car and our rear end truck attachment. There is no car in the world that can match the Ford for economy and all around satisfaction. This is why the Smith Form-a-Truck has been such a phenomenal success. Millions of dollars worth sold to date. Can you ask any better proof than this endorsement of hundreds of concerns who have investigated the proposition and have proven that it is even more than what we have claimed for it.

Here is a truck that does the work of other trucks costing \$1500 and more, and yet it does it at half the expense. It does the work of four horses and two wagons. There is no delay. Bad going and slippery roads cannot hold it back. Your deliveries get there on time. It is quick in the get-away and quick on the runs.

50,000 of these jobs are being built for 1916. The Company's factory is working night and day. Nothing like it has ever been offered. You owe it to yourself to investigate without delay.

ARMY baseball league officials have made a wise move in deciding not to play any games at Rio Grande park until Saturday. The field is still muddy and it will take two or three days of hard work to get it in fit condition to play ball. But when it is fixed up, the diamond will be faster than ever before.

DODGERS will have to beat the Phillies only to cop the National league pennant, according to the Brooklyn manager. Evidently he doesn't rate the Braves very strong, despite the fact that the bean eaters have a higher percentage than the 1916 champions at the present time.

"ROWDY" ELLIOTT is now doing most of the catching for the Chicago Cubs and it is noticeable that the former Cuban leaguer is clouting the pill consistently.

GROVER ALEXANDER is due to work in this afternoon's game for the Phillies against the Pirates this afternoon. The Pirates have made an unusually good showing against the 1915 champions in this series but Alexander is likely to take their measure today.

HERE'S another challenge. Sergt. H. A. Greene, of the 20th Infantry, is manager of Jack Burke and he wants to send Burke against any light heavyweight on the border. He mentions Press, Dunn and Torrence.

ST. LOUIS fans certainly want to see the Browns get into the lead in the American league. President Ball, of the Browns, is out with an offer of a substantial cash bonus to the players if they go into first place even for one day and he has also offered each player the best suit of clothes he can buy in St. Louis if the team will hold first place for three days.

BOTH "Battling" Torrence and Joe Potts are training hard for their 15-round bout at the Camp Cotton arena on Labor day evening. The bouts are to be staged under the auspices of the Army Amusement Fund and chaplain H. A. Chouinard, of the 23d Infantry, is the direct head of the promotion board. There are 33 rounds of boxing on the card and as the pick of the national guard regiments as well as the regulars will appear, local fans are in for a real treat.
